

'Fast track' application for a Jersey Grant | 1

VOISIN LAW

A Jersey Grant of Probate (where there is a Will) or a Jersey Grant of Letters of Administration (where there is no Will) is required in order to release assets of a non-Jersey domiciled deceased person held in Jersey where the total value held by any asset-holder exceeds £30,000.

If the deceased died domiciled in England and Wales, Scotland, Northern Ireland, Guernsey or the Isle of Man ('UK') then the 'fast track' procedure is available. This procedure enables the executor/s or administrator/s named on the UK grant to apply for probate in Jersey.

The application in Jersey cannot proceed until the UK grant has been issued.

The procedure

Documents Required

- A Court Sealed and Court Certified copy of the Grant of Probate/Letters of Administration;
- A Court Sealed and Court Certified copy of any Will and any codicils;

For the avoidance of doubt a "Court Sealed and Court Certified copy" is, an office copy with (a) the official seal of the Probate Registry affixed, (b) which has been certified on the reverse of the document that it is a true copy of the original by the Probate Registrar and (c) signed with an original signature by the Registrar. The above documents will be permanently retained in the Royal Court records.

- An original or certified copy of the death certificate.

The Executor/s or Administrator/s named on the UK grant will need to swear an oath as to the value of the Jersey Estate. Therefore also required will be:

- Evidence of the Jersey situate asset(s) together with date of death valuation(s).
